

"HOW DO I GET MY MONEY?"

Arts Council Grants are not paid in advance. By state law, the Arts Council can only reimburse you for time that you have spent on your project.

For Project grants: You may submit your paperwork to receive a partial payment (up to 50%) if you have incurred project-related expenses and need to be reimbursed before finishing the project. The project must be completed before you submit paperwork for final payment.

Fellowship Recipients: The Arts Council will not make partial payments for fellowship recipients. Fellowships grant awardees can only receive payment after completing a community benefit and submitting paperwork and a final report.

Payments: Expect a processing time of 4-8 weeks from the date we receive your complete and correct materials until your check arrives. The Arts Council processes payments on a fiscal year basis. Please check the timeline with the Arts Council staff prior to submitting invoices. Processing time for materials submitted in May may take additional time due to the city's fiscal year closing on June 30th. In a similar instance, invoices sent in July may take additional time due to the reopening of a new fiscal year.

To receive a payment you must complete and submit the following. All forms are located on our website under "grants":

1. SAC LCC grant recipient award form. Use this editable PDF form below.
2. Signed W-9 (For whomever is getting paid, a complete W-9 is needed. Please keep in mind that the w-9 information, name and address, needs to match the information submitted on the invoice.)
3. Support documentation that you publicized your project grant or community benefit project.

Please complete these items and send via PDFs, to: hbalchunas@somervillema.gov

Or return in the mail, to Heather Balchunas, Somerville Arts Council, 50 Evergreen Ave. Somerville, MA 02145

Complete and return with materials.

ACKNOWLEDGMENT OF GRANT/DOCUMENTATION OF WORK

You must acknowledge your grant publicly. This can be done through published materials or announcements related to your grant. You must use the SAC and MCC logos and/or the following credit line: "This program is supported in part by a grant from the Somerville Arts Council, a local agency supported by the Massachusetts Cultural Council."

There are a number of ways you can acknowledge your grant, including, but not limited to, press releases, flyers, posters, postcards and newsletters. We strongly encourage grant winners to announce grant-related exhibitions and performances on the Somerville Arts Council's list-serve.

The State requires that we verify the acknowledgment of funding, so you must include evidence of use of the logos and/or the credit line with your final reimbursement request (i.e.: poster, program, press clippings, book credit etc.). Please call if you have any questions.

OTHER ITEMS

IMPORTANT DATES

Your LCC grant period and activity follows a calendar year: January 1 to December 31. All paperwork must be submitted by January 31st the following year. If you wish to receive an extension, you must contact us in writing. Failure to adhere to these deadlines may result in the loss of your grant award.

TAXES AND GRANT FUNDS

If you receive total payments from the City of Somerville for more than \$600 during a calendar year, you will receive a 1099 Form in February and this income is reported to the IRS. Even though there are no taxes taken out of your check, you may be responsible for taxes. Make sure you keep copies of expense receipts for your own tax records.
